# 2019 Medicare Part D Annual Enrollment Events

**North Dakota  
INSURANCE  
DEPARTMENT**  
PROTECTING THE PUBLIC GOOD  
STATE HEALTH INSURANCE COUNSELING

Join the North Dakota Insurance Department at one of our Medicare Part D Annual Enrollment Events to receive free and unbiased information about your Medicare Part D and Medicare Advantage options for 2020 from a trained State Health Insurance Counseling program counselor. Many individuals already enrolled in Medicare don't participate in these annual events and as a result, are paying too much for their medications. In 2018 alone, the Department was able to save Medicare beneficiaries more than \$1.7 million through enrollment assistance. All events begin at 8:00 a.m. and individuals will be helped on a first come, first served basis - so be sure to stop in early!

# Create an Account for a Personalized Medicare Plan Finder Experience

## When you create an account, you can:

- Build a better drug list. We'll make suggestions based on prescriptions you filled within the last 12 months.
- Modify your drug list and save changes.
- Compare benefits and costs in your current plan to other plans available in your area.
- See prices based on any help you get with drug costs.

## Create your new account

If you want access to personalized information and features, you'll need to create an account. Visit [Medicare.gov/plan-compare](https://www.Medicare.gov/plan-compare) and click "Log in or create account."

Have the following information ready (for yourself or the person you're helping):

1. Medicare Number – You can find this on your red, white, and blue Medicare card. If you're new to Medicare and don't have your Medicare card yet, you can get your Medicare number on the letter you get from Social Security after you enroll.
2. Last name
3. Date of birth
4. Current address with ZIP code or city
5. Part A or Part B coverage start date (find this on your Medicare card)

Once you add this information and select "Next," you can create a username and password and use your new Medicare account. You can write your username and a password hint below. Just remember to keep this sheet in a safe place to protect your privacy.
