Public Information Session about TENORM disposal in Special Waste Landfills to be held

Williston, N.D., (September 23, 2019) – To inform Williams County citizens about the disposal of Technologically Enhanced Naturally Occurring Radioactive Material (TENORM) in Special Waste Landfills, a Public Information Session will be held on Thursday, September 26, 2019, from 6:00 pm to 7:30 pm in the Williams County Commission Room (lower level of the Williams County Administration Building, 206 E Broadway, Williston).

During the Public Information Session, the North Dakota Department of Environmental Quality (DEQ) will present background information about TENORM, rules and regulations for special waste landfills, and more. The DEQ will address questions as time allows.
