Williston, N.D., (December 11, 2019) – On December 10, 2019, at approximately 10:30 am, the Williams County Sheriff's Office, Williston Ambulance, and the Williston Rural Fire Department responded to the 13000 block of 60th St. NW in Williston for a report of a non-responsive male and female in a camper.

It was discovered that carbon monoxide levels were at 400 parts per million in the camper. The male and female were pronounced deceased on scene. The deaths are not being treated as suspicious and there will be no further investigation.

The deceased were identified as married couple 45-year-old Jesse Parker and 46-year old Michelle Parker from Las Vegas.
